

# ZoneAlarm

## EXTREME SECURITY

Comprehensive multi-platform security package to protect you anytime, anywhere.

### Why ZoneAlarm?

ZoneAlarm Extreme Security is the most comprehensive multi-layered security suite on the market that stops even the most advanced threats and hackers. Using enterprise-grade technology by Check Point, it is the ultimate solution for your digital security on all your devices.

**"There is a hacker attack every 39 seconds."**

- ✓ Safely shop and bank online
- ✓ Protect your privacy and browsing on all websites
- ✓ Keep your personal information safe from Phishing sites
- ✓ Prevent hostile takeovers of your computer in exchange for ransom
- ✓ Avoid dangerous Wi-Fi hotspots and eavesdropping

**"Since COVID-19, there's been a 300% increase in reported cybercrimes."**

### Features:

**Powerful Antivirus prevents malicious threats & attacks**—Up-to-date Antivirus detects and removes Viruses, Trojan horses, Worms, Bots, and Rootkits.

**Mobile Security (iOS&Android)**—Protects you from known and unknown threats, whether the attacks come from the network, apps, or the device itself.

**Award-Winning Anti-Ransomware**—Detects, blocks, and removes ransomware attacks and restores encrypted files by employing behavior-based technologies.

**Zero-Day Phishing Protection**—Protects your device in real-time from new and unknown phishing sites, keeping you safe from online frauds with machine learning technics.

**Threat Extraction**—Downloads files confidently and securely, eliminating possibilities of malicious attachments and behaviors.

**Advanced Two-Way Firewall**—Monitors every program for suspicious behavior. Detects and prevents attacks that traditional antivirus can't catch.
